Dear Dr. Dussich:

On behalf of Valley Caregiver Resource Center (VCRC), please accept this letter of support for the mission of the Elder Abuse Services.

We understand this organization will require a strong network of caring individuals to help our seniors and will serve as a model for other communities. VCRC and its affiliated programs, **Caregiver Resource, OASIS, Ombudsman & HICAP**, offer a comprehensive array of services designed to assist elders and their families master the challenges that accompany the aging process. As long-standing advocates and collaborators in preserving the health and quality of life of others, our aim is to promote personal & community well-being. VCRC connects the over-looked with what they need most in life which we believe is in direct alignment with your goals.

The opportunity to link VCRC with Elder Abuse Services will be a privilege and we look forward to participating with you as we generate awareness to the causes for our elderly population.

Kindest regards,

Michelle Mastro
